

QUOTATION FORM

Date: _____

To: Director of Public Works
Government of Guam
542 North Marine Drive
Tamuning, GU 96913

Gentlemen:

The undersigned (hereafter called the Bidder), a

(Corporation, Partnership or Individual)

organized and/or licensed to do business under the laws of Guam, hereby proposes and agrees to furnish all the necessary labor, materials, equipment, tools and services necessary for the **Maintenance of the Merizo Pier and Boat Ramp Facility** all in accordance with the drawings, specifications and other contract documents prepared by the Department of Public Works for the sum of;

_____ (\$ _____) plus any and all sums to be added and/or deducted resulting from all extra and/or omitted work in accordance with the unit and/or lump sum prices stated in the itemized bid form attached hereto.

The undersigned has examined the location of the proposed work, the drawings, specifications and other contract documents and is familiar with the local conditions at the place where the work is to be performed.

BASE BID ITEM

Description	Quantity	Unit Cost	Total Cost
I. Replacement of Missing Ladder Provide and install new stainless steel ladder. The replacement ladder must be similar to the remaining larger ladder on the pier, constructed of stainless steel, bolted to the pier using stainless steel bolts. The rungs and welds must withstand exposure to saltwater exposure, heavy use and be able to hold 100 Kg. of weight on it. The ladders must extend to the top of the upper bumper of the pier including all necessary accessories to make the system work complete and ready for use.	1 each		
II. Repair of Damaged Lights Repair of the damaged lights located at; (a). two (2) each light posts above the boat ramp, (b) one (1) each light post adjacent to rinse-down area, and (c) one each (1) light post adjacent to parking lot accessible ramp. Provide and install new light bulbs, light housings and light sensors as needed. All wiring that requires replacement or repair (if any) shall be included to make the system work complete and ready for use	4 each		
III. Removal and Replacement of Damaged Decking Planks on the Pier Remove and replace Ten (10) damaged wood floor planks. Starting from the entrance of the pier, the planks most needing to be replaced are plank numbers 22, 28, 29, 48, 51, 53, 56, 57, 59 and 73. New wood planks must be similar to the existing wood planks that could withstand exposure to saltwater exposure and heavy use. Alternate use of pressure treated lumber will be acceptable in lieu of the similar existing wood planks.	10 each.		

<p>IV. Removal and Replacement of Damaged Bordering Planks on the North and West side.</p> <p>Remove and replace Three (3) each of bordering wood planks. New wood planks must be similar to the existing wood planks that could withstand exposure to saltwater exposure and heavy use. Alternate use of pressure treated lumber will be acceptable in lieu of the similar existing wood planks</p>	<p>3 each.</p>		
<p>V. Fasten Loose Bumpers</p> <p>a) Loose bumper located on the South east side of the pier must be fasten to its original location. b) Refasten the bolt attaching the walkway to the end piling on western part of the walkway. c) Refasten the loose bumper back to its original location on western part of the walkway.</p>	<p>LS</p>		

Total lump sum cost as per plan and the general scope of work, complete and ready for use:

_____ (\$ _____)

If the quotation is within the amount of funds available to finance the construction, contract award will be made to that responsible offeror submitting the low base offer.

The undersigned hereby acknowledges receipt of the following addenda:

	ADDENDUM NO.	DATED
1.	_____	_____
2.	_____	_____

If awarded the contract, the undersigned shall be the authorized representative to bind into an agreement with the government and agrees to complete the work within **One Hundred Fifty (150) calendar days**.

The undersigned understands that the Government reserves the right to reject any or all bid or to waive any informality or technicality in any bids in the interest of the Government.

RESPECTFULLY SUBMITTED BY:

GENERAL CONDITIONS

1. The Contractor shall comply with all applicable Federal and Territorial laws regarding liability arising or resulting from injury or death to its employees, and the Contractor shall save and hold harmless the Government of Guam from any and all claims arising from the above liability in the performance of this contract. Thus, the Contractor shall take out and maintain during the life of this contract the statutory Workman's Compensation and Employer's Liability Insurance for all of his employees to be engaged in work on the project under this contract and, in case any such work is sublet, the Contractor shall require the subcontractor similarly to provide Workman's Compensation and Employer's Liability Insurance for all of the latter's employees to be engaged in such work.
2. The Contractor shall submit, for the approval of the Contracting Officer, samples of the materials to be furnished and no item shall be installed by the Contractor, save at his own risk, until such approval has been given.
3. The Contractor shall pay all fees and charges for connection to outside service and use of property other than the site of the work for storage of materials or other purposes.
4. The Contractor shall comply with all laws, ordinances, regulations and building code requirements applicable to work hereunder unless in conflict with contract requirements. If the Contractor ascertains at any time that any requirement of this contract is a variance with applicable laws, ordinances, regulations or building code requirements, he shall promptly notify the Contracting Officer and any necessary adjustment of the contract shall be made.
5. **All other items not detailed shall be assumed included to make the system work complete and ready for use.**
4. Offerors should visit the site and shall be responsible for having ascertained pertinent conditions such as location, accessibility, and general character of the site or building, the character and extent of existing work within or adjacent to the site, and any other work being performed thereon at the time of the submission of his bid. No extra compensation will be made by reason of any misunderstanding or error as regards to the site, the conditions thereof, accessibility or the amount of kind of work to be performed.
6. Disposal - Unsuitable materials as a result of Contractor's operations shall be disposed of in accordance with the local laws and/or policies of the concerned agencies. Contractor shall be responsible for the payment of the tipping fee(s) required by the Government of Guam in the disposal of waste materials generated as a result of his operations.
7. Payment to the Contractor - The Government will make progress payment to the Contractor for work completed.

END OF GENERAL CONDITIONS
